

JOIN US FOR CSI'S RESEARCH EVENT!

Did you know CSI's upcoming academic research conference in Scottsdale is bringing together **more than 100 presenters** from **over 50 institutions** around the United States?

There simply is no better professional development opportunity for thought leaders and new thinkers in the fields of education, business and behavioral sciences.

Take advantage of our fusion of pure research and powerful professional development with a **50% savings on standard conference registration** and, if you decide to publish with us, a **50% savings on expedited manuscript review**.

This is a TIME- and SPACE-LIMITED OFFER!

Follow these quick steps to lock in your 50% savings:

1. **Register to attend and/or present** your research at CSI's International Academic Research Conference in Scottsdale, Arizona, April 17-19, 2013.
2. During the registration process, your standard conference fee will automatically be reduced by 50% (\$188 value).
3. If you decide to publish your research with CSI, you will be emailed a code to secure the 50% savings on an expedited manuscript review (\$75 value).

This offer expires no later than March 15, 2013.
