In order to retain licensure as a school social worker, Minnesota Board of Social Work licensure must be maintained at all times. Lapse of this licensure is grounds for revocation of your school social work license. At the time of renewal, submit a copy of your current wallet-size Board of Social Work license.

Renewal of license(s) will require completion of 125 clock hours verified by a Minnesota local continuing education committee. If you have been or are currently employed by a Minnesota school district, please contact the district's local continuing education committee.

If you do not live in Minnesota and have never been employed in Minnesota, you may renew your license by submitting an official transcript verifying 12 quarter or 8 semester credits in the licensure area(s) or in general education courses. These credits must have been earned within the five year period immediately preceding the renewal.

. Both of the renewal options indicated above must include the specific professional development requirements in rules that are in effect at the time of renewal.
